**Current Students:** May remain at their current school through the highest grade level offered (5th, 8th, or 12th grade), provided they continue to reside in the same household.

**Siblings:** Younger siblings may enrollment in the same school as an older sibling, provided there is no break in attendance for the family at that school.

**School Placement and Transportation:** To remain at a current school or start early at a new one, families must complete the necessary paperwork by the deadline and provide transportation until the official district implementation date (for new schools) or for the remainder of the student's enrollment (for current schools).
