

# 25-26 Broadleigh Elementary Realignment Process

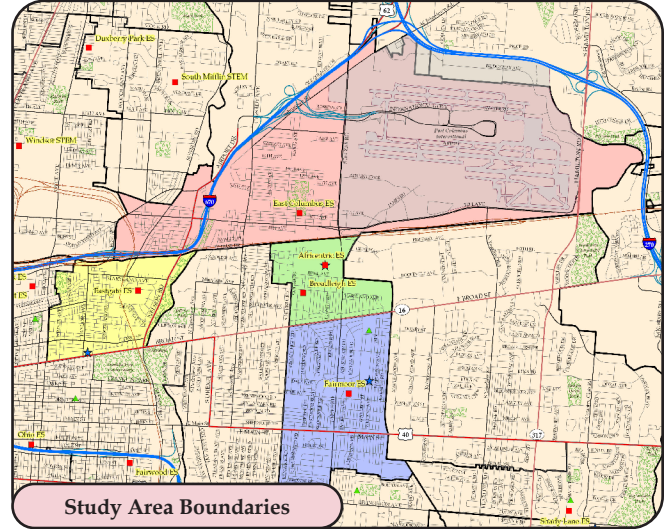

## Public Information Session #1 Fast Facts

### Background

Columbus City Schools is undertaking a realignment process to address imbalances in school utilization and enrollment, and to pro-actively account for future growth within the district. Columbus City Schools has begun a realignment process to meet the following key objectives:

- **Primary Objective:** Reassign students who currently attend Broadleigh Elementary, due to the discontinued use of the building as an elementary school.
- **Secondary Objectives:** Ensure the district is maintaining equity in each building regarding ethnic and socioeconomic demographics. Middle school & high school attendance boundaries located in the Broadleigh ES area will also be evaluated in order to align feeder patterns.

### Realignment Process Factors

Cropper GIS has developed a body of criteria to guide this student realignment process. The following criteria are not listed in any order of importance and the recommended plan will be one that best adheres to these criteria as a whole as best as possible:

- a) Balance school facility utilization
- b) Account for Future Growth
- c) Close Proximity
- d) Maximize busing efficiencies in transportation of students
- e) Minimize impact on students
- f) Consider economic, cultural, and ethnic diversity
- g) Make every effort to establish contiguous zones
- h) Use major roads and natural boundaries wherever feasible to define attendance zones
