

# 2025-26 Redistricting Study

## Public Information Session #2 Fast Facts

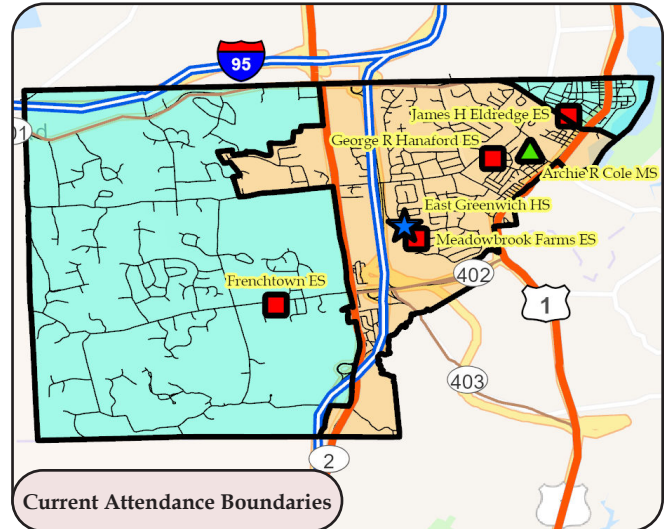

### Background

The district is interested in a process to evaluate and modify attendance boundaries to account for the district's facilities plan, which is to build 2 new elementary schools for grades 1-5 on the Hanaford and Frenchtown Elementary School sites.

- Frenchtown Elementary will have capacity for 5 classes per grade level.
- Hanaford Elementary will have capacity for 4 classes per grade level.

Eldredge Elementary School will close and Meadowbrook Elementary School will serve grades Pre-Kindergarten through Kindergarten. The anticipated implementation year for the boundaries is Fall 2027.

### Redistricting Criteria

Cropper GIS has developed a body of criteria to guide this redistricting study. The following criteria are not listed in any order of importance and the recommended plan will be one that best adheres to these criteria as a whole as best as possible:

- |  |   |
|--|---|
| <ul style="list-style-type: none"><li>a) Balance school facility utilization.</li><li>b) Consider economic, cultural, and ethnic diversity.</li><li>c) Close Proximity</li><li>d) Maximize busing efficiencies in transportation of students</li><li>e) Make every effort to establish contiguous zones</li><li>f) Account for future economic growth to allow for increasing attendance in high growth areas.</li></ul> | <ul style="list-style-type: none"><li>g) Ensure that planning is done with an overall focus on what is the safest and most secure plan for all students in the district.</li><li>h) Use major roads and natural boundaries wherever feasible to define attendance zones</li><li>i) Minimize impact on students.</li></ul> |
|--|---|
