

## **Option A Narrative / Summary**

The following document provides an overview and narrative related to Options A for Elementary, Middle, and High Schools.

### **Option A Elementary Schools**

For Option A Elementary Schools, Carver Heights, North Drive, and Meadow Lane ES are paired together. This means that all three schools share one large attendance zone, with K-1<sup>st</sup> grade students attending Meadow Lane, 2-3<sup>rd</sup> Grade students attending Carver Heights ES, and 4-5<sup>th</sup> grade students attending North Drive ES. This was done with the goal to balance building utilization as well as to improve the demographic diversity between the three schools.

Fremont Stars ES gains the northern parts of Northwest ES and Northeast ES, with a focus on balancing building utilization among the 3 schools.

### **Option A Middle Schools**

For Option A Middle Schools, Greenwood MS is assumed to change from a 5-8 grade building to a 6-8<sup>th</sup> grade. Tommy's Road Elementary School currently splits to Eastern Wayne MS and Norwayne MS, but in Option B, Tommy's Road ES is sent to both Dillard MS and Greenwood MS. This was done to better balance building utilization as well as improve the demographic diversity of Dillard MS and Greenwood MS.

### **Option A High Schools**

For the Option A High Schools, Goldsboro HS gains area from Aycok HS (the same area added from Norwayne MS to Dillard MS). The reason for this is to provide a better balance of building utilization and demographics. Goldsboro HS sends the southeastern part of their current zone to Eastern Wayne HS, and Eastern Wayne HS provides capacity relief to Spring Creek HS by gaining some area on the northern part of the current Spring Creek HS zone.

## **Option B Narrative / Summary**

The following document provides an overview and narrative related to Options B for Elementary, Middle, and High Schools.

### **Option B Elementary Schools**

For Option B Elementary Schools, North Drive and Tommy's Road are paired together, with K-1<sup>st</sup> grade students attending North Drive ES, and 2<sup>nd</sup>-5<sup>th</sup> grade students attending Tommy's Road within the same shared zone. Also, Carver Heights (K-1) and Meadow Lane (2-5) are paired together. This was done with the goal to balance building utilization as well as to improve the demographic diversity between the three schools.

Fremont Stars ES gains the northern parts of Northwest ES and Northeast ES, with a focus on balancing building utilization among the 3 schools.

### **Option B Middle Schools**

For Option B Middle Schools, Greenwood MS is assumed to change from a 5-8 grade building to a 6-8<sup>th</sup> grade. Tommy's Road Elementary School currently splits to Eastern Wayne MS and Norwayne MS, but in Option B, Tommy's Road ES is sent to both Dillard MS and Greenwood MS. A portion of Northeast ES also feeds into Dillard MS, as well as Eastern Wayne MS. This was done to better balance building utilization as well as improve the demographic diversity of Dillard MS and Greenwood MS.

### **Option B High Schools**

For the Option B High Schools, Goldsboro HS gains area from Aycok HS (the same area added from Norwayne MS to Dillard MS). The reason for this is to provide a better balance of building utilization and demographics. Goldsboro HS sends the southeastern part of their current zone to Eastern Wayne HS, and Eastern Wayne HS provides capacity relief to Spring Creek HS by gaining some area on the northern part of the current Spring Creek HS zone.
